

The additional information for participants of conference

For the purpose of simplification of preparation and the subsequent press of reports, the Organizing committee decided to partially change requirements to reports. Namely, reports should be presented in format **MS Word**, instead of specified before a **PDF**-format.

Besides, we ask to consider that the work volume should be to 7 printing pages, with an interval 1.5 (margins of 2 sm) on paper A4, including drawings, schedules, schemes and the literature. For the Georgian text use font **AcadNusx**, the size 12. A font of English and Russian texts must be **Times New Roman**, the size 12.

Article title should contain:

- e-mail address and contact phone of the author/authors;
- name of the organization which is represented by the author;
- Keywords in text language.

Computer variants of drawings and photo should be executed in a **TIFF** format, resolution 150 dpi.

The resume should be enclosed to article in language of the text and in English.
